STILL ANOTHER of our most talented and highly respectable citizens speaks for HAMPTON'S VEGETABLE TINCTURE:

VEGETABLE TINCTURE:

BALTIMORE, July 18, 1851.

Messrs. Martimer & Mowbray:—Gentlemen: My daughter having been afflicted for more than a year with the spinal disease, and having tried every remedy that was prescribed by some of our best physicians, without affording her any apparent relief, I fortunately was advised by a friend to try a bottle of "Dr. Hampton's Vegetable Tincture," which relieved her of her pain in less than twenty-four hours. I am pleased to say that since she took it she has been free from pain, and she is gradually gaining strength, which I attribute entirely to the restorative properties of this medicine. I believe if it were more extensively used, it would do more good in the removal of such diseases incident to the human family than what is usually prescribed.

Very respectfully, your obedient servant,

Mr. Robert Scars—Dear Sir: I have looked over the entire series of your valuable publications with much interest and profit; and am quite surprised at the amount of literary labor you have performed, and the research it must have cost you to obtain so many flue illustrations, while you have an active superinfendence of an extensive business. I am also gratified at the decidedly moral and religious influence which your books will exert, and cannot but hope that they will do much to counteract the effects of that light and immoral literature which deluges the land, and, like the frogs of Egypt, comes up even to the kneading troughs of our kitcheus. May you live long to follow your plans.

Respectfully and sincerely, your obliged servant, EDWARD HITCHGOCK.
